

Guidelines for Internet Scavenger Hunt

1. Actively look out for whatever information you can acquire and use them in the best possible way you know.
2. In-game hints are provided whenever necessary.
3. This online game is totally based upon PC Browser, preferably Chrome. However occasional use of mobile phone can not be ruled out completely.
4. You don't require prior knowledge of programming to play this game. Although it is expected that at least you know how to browse through the internet, use browsing tools and links.
5. Use lowercase alphabets and no spacing in between unless prompted otherwise.
6. Use your own email address to register and at the time of submission. Further communication regarding winners will be addressed through this mail.
